Fundraising

Pre-Loved Uniform online

3 baskets of uniform already donated: BO and AC to organise and catalogue. Liase with BF to collect w/c 22-3-21.

BF will advise regarding a collection and drop off point next week avoiding breaktimes and end of day.

BF to check e-mail for ordering and website link for catalogue of available stock as it is not possible to have a live catalogue on school website – but there could be a link to another platform (BO/AC to consider platforms such as Facebook or Whatsap). Looked at Grantham High School (LM to advise where needed). BF to ask for preloved email address (IT) and promote in newsletter after Easter asking for donations.

School website can only be updated by IT staff but BF to look at any updates needed (Pre-loved uniform/ The Giving Machine)
