

## **PTA Meeting - Monday 16-09-19**

**BF welcomed old and new members.** Thanks were given to members for volunteering to take on posts on committee

### **Apologies and present as AGM**

**Minutes of the last meeting circulated. Agreed as true record and signed by BF**

### **Opening remarks BF**

Gift-aid- able donations now directly given to RC Trust. In the past this has generated an annual income of about £1300 for the PTA. The Trust has received £2000 to date which they can claim gift aid on. Purchasing of 100 club tickets has fallen. Need to sell 50 tickets to break even. Suggestions included a PTA stand at settling in evening Weds 9<sup>th</sup> Oct, word of mouth amongst parents, recirculating forms and looking at Weduc communication problems. DC will raise Weduc issues with SLT.

### **Finances JR**

As AGM: Current account 321.16

Business reserve £2600.77

£347.50 from daisy badges, summer concert cheque to come

54 tickets to movie night sold money to come – cheques passed to JR

100 Club has sold around 47 numbers, forms and cheques passed to JR

### **Gift Aid KC**

Giftable donations have dropped year on year. We anticipate this trend to continue as the RCT is now requesting donations directly to the school and can then claim the gift aid at 25%. Loss of income equates to the amount we spend on planners. We may be able to claim gift aid on small donations without gift aid forms KC to investigate. This may limit what the PTA will be able to achieve in the future.
